TO ALL MEMBERS OF THE IAMAW AIR CANADA

IF YOU ARE ON GREAT-WEST LIFE BENEFITS OR KNOW A SISTER OR BROTHER THAT IS, PLEASE READ THE FOLLOWING AND PASS THE INFORMATION ON

The Union has been advised by a number of our members that Great West Life is conducting phone interviews asking our members what we would consider biased questions.

These subjective questions include "how is your relationship with your spouse" or "describe what your day includes" or "who takes care of you at home".

The Union believes that any incorrect response could result in your benefits being pended or terminated.

There is no way to validate who you are talking with during a phone call. However, if you should choose to speak with them, our advice is to respond with the following:

"I would be happy to take a look at your questions with my Union representative present at a Union or Air Canada facility. I will advise you when I am available for such a meeting."

Being a part of a Union gives you choices. Please use what is within your rights!

In solidarity,

Boyd Richardson
General Chairperson
