Dear Brothers and Sisters:

Transportation District 140, along with several other Union Officers representing Members working at Vancouver International Airport, attended a meeting on July 20, 2010 in the offices of the BC Federation of Labour regarding Globeground Fuel Services/Servisair locking out our UCTE/PSAC Brothers and Sisters rather than obtaining a 1st Collective Agreement for the Fueling Supervisors.

Some of the Bargaining items the Company, Globeground Fuel Services/Servisair, is disputing at the Bargaining table are:

- 1) Shift schedules
- 2) Pay equity (same pay for males and females to perform the same and equal work)
- 3) Pay grids being outlined in the Collective Agreement
- 4) Break times being outlined in the Collective Agreement

The parties have met with a Conciliator, however the conciliation process to date has failed as it appears the Company is resisting a 1st Collective Agreement for the Fuel Supervisors and have chosen to lockout our UCTE/PASC Brothers and Sisters and bring in **SCAB REPLACEMENT WORKERS!**

It is anticipated that future strategy meetings will be held at the offices of the BC Federation of Labour, with Union Officers at the Vancouver International Airport to assist the UCTE/PSAC to obtain a 1st Collective Agreement for these Fueling Supervisors working for Globeground Fuel Services/Servisair.

As more information becomes available, it will be communicated to the Membership.

In Solidarity,

Fred Hospes, Regional Assistant Directing General Chairperson - Western Region
Transportation District Lodge 140, IAM & AW
